Blue/White Routes (Lextran 14)

Riding the Bus:

- Buses are only permitted to load and unload at designated bus stops.
- Look for the route name displayed on the front of the bus.
- Please wait to board until riders have finished exiting the bus.
- Pull the cord or say "Next Stop" to alert the driver that you wish to exit.
- Allow the bus to come to a complete stop before you stand to exit.
- Please exit at the rear when possible.
- If you have any questions about your trip, ask the driver.
- These buses are fare-free for all members of the UK community and our guests.
- All campus buses are equipped with ADA lifts or ramps, and most have bike racks.
