

Section 18 HHS Inspections

1. The HHS Secretary (or the CDC or their one of their designees), without prior notification and with or without cause, shall be allowed to inspect any site at which activities regulated by this part are conducted and shall be allowed to inspect and copy any records relating to the activities covered by this part.
2. In the event that the Responsible Official receives advance notification of an HHS inspection, the Responsible Official shall notify each Principal Investigator registered for possession of select agents and toxins. The Responsible Official will also notify the Associate Vice President for Auxiliary and Campus Services, the Executive Vice President for Research, and the Hospital Safety Officer.
